THE ELKS HORN

Arlington-Fairfax Elks Lodge 2188

PROUDLY SERVING OUR COMMUNITY SINCE 1963

www.elks2188.org

Message from the Exalted Ruler

As I begin my year as Exalted Ruler, I must admit that it is nothing like it was in 1988 when I began my first year as the leader of this Lodge. I was a red-headed young man with a wife, a 3-year-old son, a job and a new house. How was I going to carry on the rich tradition of the Arlington-Fairfax Elks Lodge? With everyone's help, that's how. Along the way I made many new friends. In the last 28 years, many changes have occurred, but one thing remains the same; we are still all volunteers with the same mission and that is to have fun with friends while helping our community. With 45 years as an Elk and the wisdom gained thereof, I hope to insure that our Lodge continues to be a beacon in the state of Virginia.

I would like to thank everyone who has put his/her faith in me by volunteering to be an officer, committee chair or a committee member. We still have slots to fill. Contact me directly to volunteer for something new.

When was the last time you were in the building? Come on out and experience a Wednesday or Friday Night Dinner, some horseshoes, darts, Queen of Hearts, bingo, lunch, drinks, or one of our two monthly meetings. Get involved and let it make you feel better. My motto for the year is **"To Do A Little Extra!"** With everyone doing a little more, we will grow and prosper. I am looking forward to an exciting new year and with your help we can make it possible. I hope to see you around the Lodge real soon.

Finally, I would like to thank our newest PER Brenda Slingerland and her officers for everything they did to help the Lodge this past year. They set the stage and we must continue the show. **Exalted Ruler Tim Knotts**

INFRASTRUCTURE UPDATE

In the last week of February 2016, the long-awaited Infrastructure Upgrade project was completed. This project included a phone system replacement, an upgrade and expansion of the Lodge's Wi-Fi network, and an upgrade in the TV service.

Phone System – The phone system has been updated to utilize the latest business phone system technology, and the key point here is that now there is a single phone number to call for your Lodge business which is (703) 560-2188. All of the other numbers have been retired, so that when you call the Lodge, please listen to the updated menu options (and yes, our menu options have changed).

Wi-Fi – The internet service has been upgraded to provide triple the speed/bandwidth of the old Wi-Fi network. Additionally, the entire building has been wired to provide Wi-Fi connectivity throughout the building, not just the bar area. There will be two new Wi-Fi networks, Elks-Members and Elks-Guest. The old Elks2188 Wi-Fi will be retired. Network logon information will be available at the bar. Note: For members who have smart phones that support Wi-Fi calling, this new network will allow you to make and receive calls throughout the building if you enable the function on your phone.

TV Service – The TV service has been upgraded to a new digital service with access to the Local broadcast channels, the College Sports network, and the Professional Sports network

Lodge Clean-up day

Save the date – Saturday, April 9th, 8:30 AM until

Bring your rakes, bring your gloves, bring your sponges – it's time for some spring cleaning at the Lodge.

Every year around this time, we ask members to join us as we work to trim the bushes, clean-up unsightly messes and other inside cleaning to spruce up our Lodge. Please join us – we will provide the coffee and doughnuts to start the morning off right.

If someone has a pick-up truck, I would like to make at least one trip to the dump.

Any questions or concerns, feel free to contact Roy Seabolt at 571-263-1430 or roy.seabolt@gmail.com

See you at the Lodge!

“We shall meet, but we shall miss him, There will be the vacant chair, But though we no more possess him, Still our hearts his memory bear, But a while ago we gathered, Friendship beaming in each eye, Now the golden cord is severed, He has passed to realms on high.”

News from the Trustees (Roy Seabolt)

Year-End Update: Well, to say the least, this past year as Chairman has been very interesting and a definite learning experience. My goal was to maintain a steady course and, to that end, we were successful. While we were not able to accomplish as much as I would have liked due to our continuing financial constraints, we were able to deal with the emergencies, such as two broken water pipes, heating/cooling issues in the Ballroom, and repair to the leaking roof in the Ballroom. We were also able to complete the long overdue infrastructure upgrade with a new phone system, a Wi-Fi network throughout the building, and digital TV service.

This next year, the Trustees will continue to experience the financial stress that has been present for the past several years. We will start the new fiscal year by performing a complete financial and operation review to see if there is any place where we can reduce expenses, improve reporting, and prioritize repairs to the Lodge. We will also be initiating a marketing effort to local businesses in an attempt to increase our daytime hall rentals and, thus, improve our revenue streams.

Finally, we will continue to look for new ways to improve our long-term financial viability. This is where you (the members of this Lodge) come in. Please, if you have any suggestions on programs that may move us in that direction, share your ideas with a Board member. Let me give you an example. In the last month, two different members approached me and suggested that we setup a Legacy Endowment Fund. Now, this is something I do not know anything about, but I know three members who do, so we are putting together a working group to explore this possibility to see if it is something we should implement. Before this encounter, I never even thought about Endowments, but because two members suggested it, it is something we are looking into. Do you have any suggestions? **[Chairman Roy Seabolt]**

News from the Elks Auxiliary (Tim Knotts, President)

The changing of the guard was done this year at our annual President's Tea with the swearing-in ceremony performed by PER and Auxiliary member Laurie Fearis. Now Past President Barbara Marshall presented officers and committee chairs gifts of appreciation and thank you notes for all their hard work. I am proud to be the next Elks Auxiliary President to represent such a fine organization that does so much for the local community and this Lodge. With a full slate of officers and committee chairs, we as an organization are ready to move forward and continue our good work. We are always looking for a few good men and women to become members. Come out and join us and in the process have some fun. For more information, give me a call at (703) 437-9221. **[President Tim Knotts]**

Elks National Foundation

I would like to thank every member who took the time to donate to the ENF this year. We have reached the goal set for us. Our own Virginia Grand Exalted Ruler Ron Hicks, from Fredericksburg Elks Lodge # 875, set a goal of \$4.65 per member to qualify for the Grand Lodge "Gratitude Grant." We have more than doubled that amount. Way to go! That's what I am talking about. In addition to that, for the first time we have had more than 15% of our membership make a donation. By doing that, we qualified for an additional \$500 of Grant money. That is a total of \$2,500. Our Lodge has been using this Grant for the Dictionary Project. Chairman Ken Hensley and his committee give out over 1,100 dictionaries to third graders in Arlington and Fairfax Counties. I hope everyone who gave so easily this year will do the same next year. **The new ENF year starts April 1, 2016.** Thanks again for your support. **[Tim Knotts, ENF Chairman]**

GOLF NEWS – “Par for the Course” (Chairman Ron Murphy)

Our golf season officially opens on 4 April at Westpark. Later this month we play at Old Hickory on the 18th. In May we play three times; at Bull Run on the 2nd, Prince William on the 16th, and Forest Greens on the 23rd. All will have 0900 shotgun starts. We will use the same sign-up procedures as last season. Golf Association members will be notified by emails a week prior to the event with appropriate instructions. They must respond by the Thursday preceding the event if they want to play. Sign-up can be accomplished either by email or by calling the tournament director. All Lodge members are invited to join the Golf Association. Elks who choose not to join may play as guests. Any questions regarding our golf program should be directed to Golf Chairman Ron Murphy at bettyron.50@gmail.com or (703) 866-4403.

Back Pack Lunch Program—New Chairman Appointed

I am pleased to announce that new member **Lisa Gallimore** has stepped forward to lead the Back Pack Lunch Program. Lisa is thrilled to be back in Northern VA and is eager to become involved with the good works of our Lodge. If you would like to help Lisa by shopping for food or distributing it to the school, please let her know at lagallimore@hotmail.com. I would like to thank all of the Lodge members and friends who so generously donated to the Back Pack Lunch Program this past year. Lots of children have happier lives because of you! Thanks to all. **[Fred Hensley]**

New “Elks Singles Club” Forming

Please join me in starting a new club for singles at #2188. Although Friday night is supposed to attract single members, we really do not know who we are (and some married people pretend they are single). Several women have approached me about beginning such a club. It could produce more bonding for a subculture within the Lodge. As a group we could plan day trips to interesting places, dinner parties at members' homes, special support for parents without partners, widows and widowers, as well as divorced members. We could do special volunteer activities, and whatever other ideas that you bring to the club. We will have an initial organizational meeting to learn how much interest there is in such an undertaking. That meeting will be held on **Wednesday, April 27, 2016, at 1:00P in the Lounge area**. Please contact me at (703) 691-4968 to signify your interest and for more discussion. **[Chairman Patricia Morgan]**
